## Resource 1a-Feedback from PLTS workshops

7. As a result of today's workshop, have you picked up any useful Teaching and Learning approaches for the incorporation of PLTS into your delivery?

- Yes (x 39)
- Very much (x 2)
- Resources (x 2)
- Implementing the Business Challenges (x 4)
- Postcards (x 3)
- Discussion Diamond (x 4)
- Graphic Organisers (x 2)
- Some very useful tips (x 2)
- Parcel & Wall (x 5)
- Love the box activity!
- Use it in teacher's std meeting (sharing of new ideas/approaches)
- Activities were very useful - will re-use!
- Team working - perception - group working - ideas
- Will cascade to assessors
- Embedded PLTS
- Ideas were excellent
- I have not really used graphic organisers before but will do so
- Will be using all of the activities in today's session - excellent ideas
- Yes - standardisation this month!
- Will assist, with the learner, to integrate with their qualification
- I will use to develop own team, develop own learners through groups and 1:1's
- Useful techniques that can be used for all delivery
- Very useful, because we currently deliver the majority of our PLTS via an embedded model - Award in Work Skills
- PLTS cards
- Using other discussion tools
- I will pass on the resources and the various activities to the tutors, so these methods can be incorporated into their lessons, ie. graphic organisers
- I will use some of these exercises within team meetings and sub-contractors meetings
- All of the approaches have been useful. These will be tested in the classroom and evaluated
- Still unsure how this can be evidenced
- Yes, taken ideas from others
- Good ways of drawing out ideas. Verbally pass on what has been learnt
- Using tree chart to demonstrate/illustrate component parts of an apprentice framework. Discuss with SfL team and hopefully employ easier ways of evidencing the achievement of PLTS
- A number of useful activities and ideas
- Ideas in terms of addressing initial issues at candidate level, ie. managing expectations
- A few ideas that I may discuss in our next team meeting to introduce
- Activity ideas are easily adaptable to our different areas
- Using cards on induction. Incorporating into reviews
- Some great activities
- Will take this back to other colleagues
- A plethora of strategies in delivering PLTS
- Particularly how to use at initial assessment stage
- Using the activities this will help to reflect
- Some really good ideas
- I will use all of the examples of way to deliver PLTS
- Different activities and approaches

### 8. Do you have any other comments about today's event?

- Very useful event (x 6)
- Very informative session (x 7)
- Very good (x 2)
- Well planned and delivered, useful afternoon (x 2)
- Would have liked to have support on evidencing PLTS
- Very upbeat and positive - a real change, thank you
- Very good all round! Well done to facilitators!
- Thank you for an interesting session
- Today's session has really been really useful in "breaking down" the PLTS criteria. Seem more manageable now
- Have loads to take back to my organisation
- Cards are brilliant
- Very useful workshop to develop myself and help learners
- Enjoyed the session and will look to incorporate into my role
- About the right length of time and pace - liked the interaction
- Not given opportunity to ask questions at the end of the day
- Evidencing of PLTS - what are inspectors looking for
- Too long
- Would have been better with powerpoint instructions as it was sometimes difficult to understand facilitator
- Well presented, adapted well to small audience. Enjoyed the session.
- Very enjoyable
- Tutor very knowledgeable and friendly, great afternoon!
- More time for Q&A
- I would have liked it to be a bit longer
- The teaching and learning process was enjoyable
- Very engaging, inclusive, interesting
- Thank you
- No (x 3)
- No, but would be interested in others
