

Is Your Estate Environmentally Friendly?

Are you interested in speaking up about it?

Photography, quizzes, discussions to find the problems and solutions.

**Come and join us at the Meadows Estate Community Centre
for 5 days 8am – 4pm**

on Mon/Tues 6/7 Feb. 13/14 Feb. and 20 Feb.

**The last day (date) will be an exhibition of your photographs.
If you would like to join us or for further information contact: ????????????**

What you will be doing? And it's all free!

Day 1 Monday 6 February	Finding out about environmental issues. Lots of lively learning activities! What happens on your estate and in your town - recycling, energy use and waste ? What do jobs involve? What do you need to learn to start these jobs?
Day 2 Tuesday 7 February	Take photographs of local environmental situations, scenes and images. Find out more about the issues. Plan a photographic competition and exhibition and a display of recycled goods.
Day 3 Monday 13 February	Visit to waste treatment/recycling plant. Take more photographs.
Day 4 Tuesday 14 February	Speaking up skills to explain environmental issues to others. – How to present your case.
Day 5 Monday 20 February	Display of photographs and recycled goods, best in show winners, prizes, Environmental speakers panel (You saying what you think!) Speak to local radio and newspapers about what you have been doing.

Refreshments provided throughout the day. We can also help with child care costs.
