

ILT Training Nearpod

Objectives

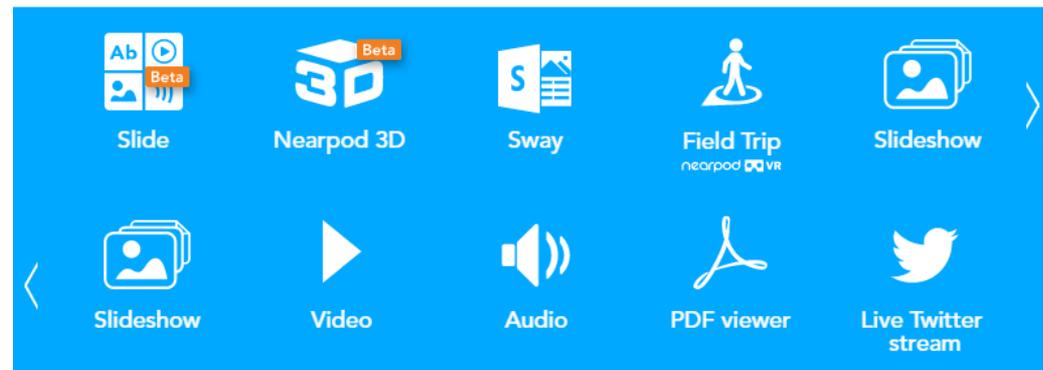

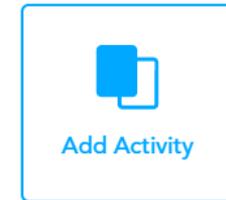

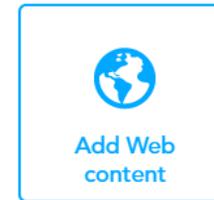

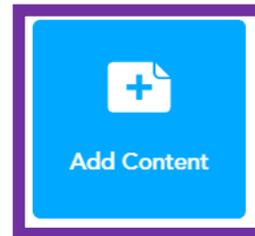

- To introduce how Nearpod can be used to enable assessment for and of learning in sessions
- To create a Nearpod presentation

Nearpod

Works in a similar way to a PowerPoint Presentation but has interactive content and questions.

Learners view the presentation and answer questions using a phone, tablet device or computer.

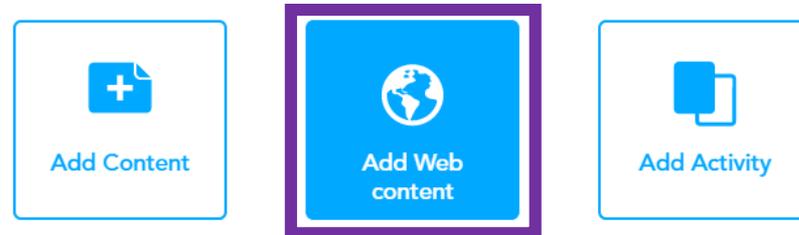

The types of **content** available are listed above.

Nearpod

Works in a similar way to a PowerPoint Presentation but has interactive content and questions.

Learners view the presentation and answer questions using a phone, tablet device or computer.

 Web page

Enter the **website URL** that students will see. Please note that Flash websites will not work on iOS devices. Remember, some websites might be blocked by your school.

URL

 Save

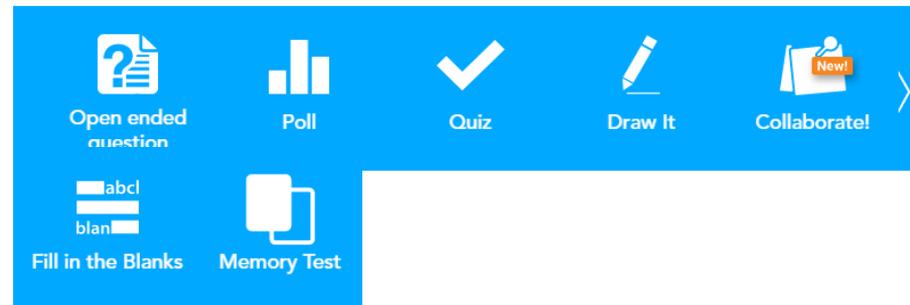

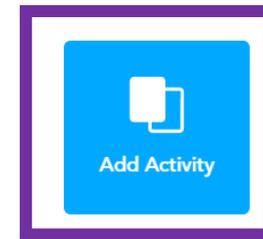

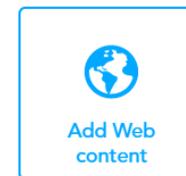

You can add a **web page** which could also be a YouTube clip.

Nearpod

www.nearpod.com

The screenshot shows the Nearpod website homepage. At the top left is the Nearpod logo. A navigation bar contains the text 'Enter CODE' with a blue arrow, 'Explore Lessons For Schools and Districts', 'Schedule a Demo', and a blue 'Sign In' button. A tooltip points to the 'Enter CODE' button with the text 'Enter CODE to join a live lesson'. The main content area features a background image of a person using a laptop. The headline reads 'Tools for the most important job in the world' followed by the sub-headline 'Empowering Teachers, Inspiring Students.' Below this is a 'Watch video' button with a play icon. At the bottom, there is a red button that says 'Sign up for a FREE account!' and a white button with a blue arrow that says 'Enter CODE to Join a Lesson'.

☑ Preparation for next session

- Bring along a PowerPoint Presentation that you would like to convert into a Nearpod Presentation.
- Think about the questions and activities you would like to use.

A screenshot of a 'Results during Student-paced' screen. It features a cartoon girl at a laptop, a play button icon, and a pie chart showing 'YOU SCORED 6 OUT OF 8'. The pie chart is divided into green (CORRECT) and red (INCORRECT) sections. Below the chart, it says 'My Answers' and lists a question: 'What is the capital of the United States?' with radio button options: New York, Washington DC (selected), Los Angeles, and Miami.

Click on the +New button and select lesson

A screenshot of the Nearpod web interface. The top navigation bar includes a home icon, 'My Library', 'Explore', 'Create', the Nearpod logo, and a shopping cart icon. A search bar with the placeholder 'Search my lessons' and a 'Sort by: Recent' dropdown are also visible. A blue '+ New' button is highlighted with an orange box, and an orange arrow points to it from the text above. A dropdown menu is open below the '+ New' button, showing two options: 'Folder' with a green folder icon and 'Lesson' with a blue Nearpod icon. Below the menu is a green 'Save Changes' button. The main content area displays two lesson cards. The first card is titled 'Digital Literacy and Learning Technology Models' and includes a list of bullet points: 'Connect your device to the Wireless' and 'Open your Browser'. The second card is titled 'Session Objectives - Part 1' and includes a list of bullet points: 'Identify examples of the use of technology by members of the group and plan peer support', 'Categorise technologies by their use', and 'Examine how you use technology using an online audit tool'. Both cards show the author 'Sarah Williams' and the date 'Jun 11, 2017'.

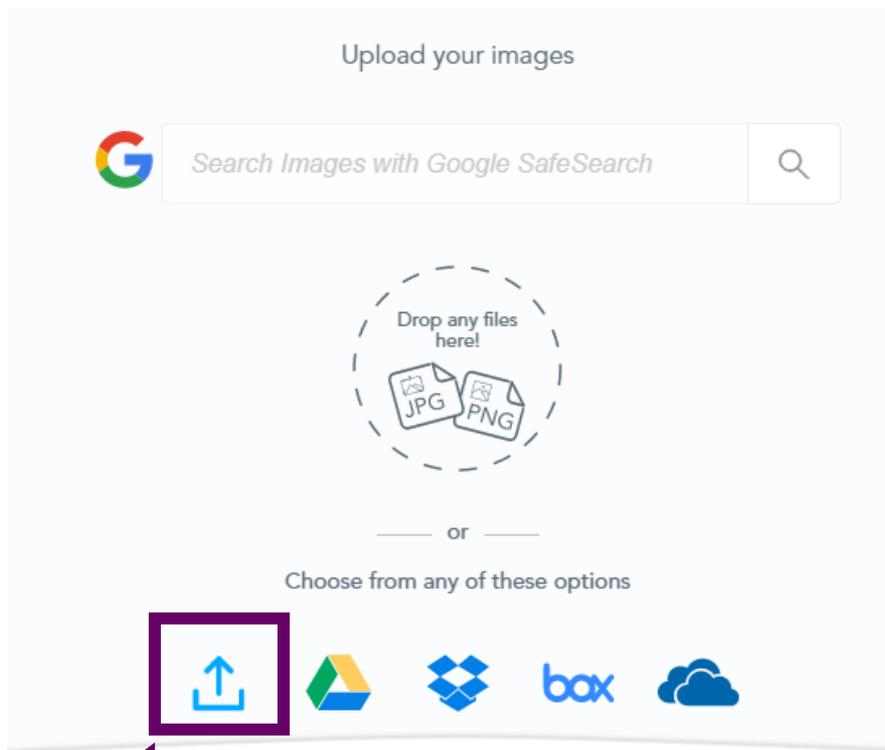

Creating a Nearpod

A screenshot of the Nearpod web interface. The top navigation bar includes 'My Library', 'Explore', 'Create' (highlighted), and the 'nearpod' logo. Below this is a header for 'Untitled Lesson (1)' with a 'Settings' icon and a 'Size: 0 Mb' indicator. A toolbar contains buttons for '+ Add Slide', 'Delete Slide', 'Copy (Ctrl+C)', 'Paste (Ctrl+V)', and 'Convert to'. The main workspace is empty, showing a large blue '+ Add Slide' button. Below this is a dashed circle containing the text 'Drag & Drop any files here!' and icons for PNG, PPT, and PDF files. At the bottom of this circle is a button labeled 'UPLOAD FILES', which is highlighted with a purple rectangular box. A purple arrow points from the bottom left towards this button.
