| This resource is intended to be read in conjunction with the case study on the project led by Derby College |   |
| This is what this resource is   | A student log sheet to track progress, contributions and reflections of students engaged in a PBL episode |
| This is what it is for  | To scaffold students' progress during PBL   |
| This is how it could be used  | Students could complete this after each session during a PBL episode                                      |
