

This resource is intended to be read in conjunction with the case study on the project led by Derby College	
This is what this resource is	A competition created by an Employer to inspire L1 and L2 Plumbing students to engage in PBL
This is what it is for	To illustrate how a competition could be created
This is how it could be used	To inspire you to create your own PBL competition with an employer

# OUTSTANDING TEACHING, LEARNING AND ASSESSMENT TECHNICAL SKILLS NATIONAL PROGRAMME

**Document type/name (Anglian Water Competition)**

**Created by: (Anglian Water)**

**Output 10**

Managed by

In partnership with

**emfec**

STUDENT  
COMPETITION

# DESIGN A BACKFLOW RIG

love  
every  
drop.  
anglianwater

# AND WIN!

Can you design and build a portable backflow rig that demonstrates how back siphonage can happen in a system and contaminate water?  
Put your plan into action and **WIN!**

**WIN!**  
5 TICKETS TO
