

Why embed? Context and rationale

What is embedding and how do you start to embed?

What is Skills for Life? What is meant by embedding? (1b) is an awareness raising CPD module for non-teaching staff, such as IAG workers and support workers. You can adapt the resource to your own context.
Making the most of CPD Module 1b – What is Skills for Life? What is meant by embedding?
Register on the Move On website in order to access the iRoute , a straightforward and interactive guide to LLN and its importance for learners.
Teachers TV: Skills for Life in context provides an examination of the Skills for Life needed for various careers, seen through the eyes of recent school-leavers on the job (approx. 15 minutes each).
Embedding literacy, language and numeracy: What? Why? How? (1c) is an awareness-raising CPD module for teachers and assessors who are not literacy, language and numeracy specialists, and who are likely to be involved in the future in planning and/or delivering embedded programmes.
Making the most of CPD Module – Embedding literacy, language and numeracy: What? Why? How? (1c)
